Dear Mr Mirsad JASARSPAHIC,

ASPAPLAST- The Romanian Plastics Processors Employers' Association and **EuroExpo Fairs** have the pleasure to invite you at the 8th edition of **EXPO PLAST**, the biggest event in **Romania** dedicated to the plastics processing and recycling industry.

In 2019, following the success of its two previous editions - which took place in Sibiu – **EXPO PLAST** will receive its visitors and exhibitors at the same location - **REDAL Expo Sibiu, between 12—15 November 2019** .

As all previous editions, **EXPO PLAST** aims to host providers of equipment and technology for plastic processing, suppliers of raw materials and auxiliary, companies –manufacturers and distributors of packaging, finished and semi-finished plastic products for the automotive, construction and installation, applications for electrical / electronics industry, agricultural film, consumer goods, suppliers of machinery and equipment for plastics processing and recycling.

The 2018 EXPO PLAST edition was a quality event from every point of view. It was the event :

- with the biggest number of operating machines, technological applications and production solutions ;
- with the highest participation degree of specialized visitors and decision makers from the manufacturing companies ;
- appreciated by professional visitors from Europe.

EXPO PLAST 2019 will be a dynamic event where the visitors and exhibitors will discover the latest technologies and enjoy LIVE demonstrations and the most powerful leaders from the industry will meet!

EXPO PLAST 2019 is targeted around its audience:

- Top management – General manager, Entrepreneur or Department Directors;
- Middle management - Specialists, Department Heads, specialist engineers;
- Others – Technicians, operators, students, university teachers etc.

A presentation of **EXPO PLAST 2019** is available on www.expoplast.ro/en/ and also here attached.

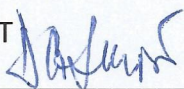

Hoping this event will be of interest for your member companies or your partners, we take this opportunity to invite them to visit and participate in the most dynamic exhibition in the plastics processing field organized in Romania!

We remain at your disposal for any further information.

Yours sincerely,

Eng. Marcel Diaconu
