Maktek Eurasia 2014

Maktek Eurasia is a world class, splendid organization where all technologies regarding machine tools, metal processing machines, CAD/CAM, welding, cutting, drilling, quality control and test equipment industries are exhibited together. The fair is the most significant meeting in Turkey and in the meeting point of leading companies of Turkey and the world, in the region.

Corporate structures of TÜYAP, TIAD - Machine Tools Industrialists and Businessmen Association and MIB - Association of Machine Manufacturers together with the support of the Ministry of Science, Industry and Technology of Turkey and Republic of Turkey Ministry of Economy have made MAKTEK Eurasia one of the hallmark events of the region and the Fair is regarded as the most important gathering of the industry in Turkey and in Eurasia.

In the previous Fair, exhibitors from 33 countries have gathered to showcase the latest technologies on 120.000 square meters closed area. Comprehensive domestic and overseas marketing activities carried out together with 12 domestic offices and TÜYAP overseas offices located in Russia, Bulgaria, Georgia, Iran, Macedonia and Egypt have played important role in creating new business opportunities in İstanbul. The Fair in 2014 has given the opportunity for participating companies to find new markets and new customers and to meet international professionals of the industry.

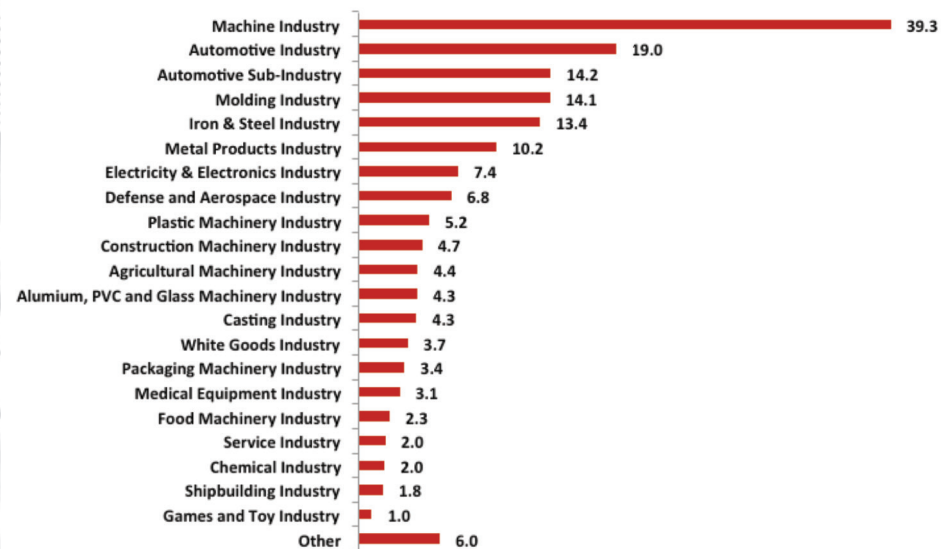

Effective marketing strategies has led 65.722 visitors from 72 countries to have the chance to find out about the most recent technologies and innovations all together, under the same roof.

Exhibitors and visitors of Maktek Eurasia 2014 have stated they have found the chance to see all companies together and follow developments in their products, create an opportunity to introduce the advanced technologies, see the stability of participating companies and their products and the changes in their production/sales capacity, compile know-how on new products and technologies, and learn about prices.

This world-class event will surely be the mirror of our sector's power in global markets and the best platform broaden customer and dealership networks. We look forward to hosting you at Maktek Eurasia 2016 to be organized in 14 halls on 120.000 sqm closed area at Tüyap Fair, Convention and Congress Center, İstanbul, Turkey between October 11-16, 2016.
